FRANCE - Beaujolais

Beaujolais is a French Appellation d'Origine Contrôlée (AOC) wine generally made of the Gamay grape which has a thin skin & is low in tannins. As with most AOC wines, they are not labelled varietally.

Beaujolais tends to be a light-bodied red wine with relatively high acidity. The region is known for its long tradition of using carbonic maceration in their wine making.

There are three classifications of Beaujolais wine:

- **AOC**

Largest appellation with most located in the south. Wines are easy to drink with low tannin & flavours are fruity & "grapey" - raspberry, cherry, cranberry.

- **Villages**

There are about 38 official "Village" wines. These areas are a little more specialised & the wines are a little deeper & darker in character.

- **Cru**

There are 10 Crus, all in the north & producing only red wines. Usually, the labels will simply state the name of the Cru. Each Cru has its own distinct characters – climate, soils, altitude & a host of other factors – that are not duplicated elsewhere. The wines are more complex & known to age well.

The 10 Crus are:

1. Saint-Amour
2. Julienas
3. Chenas
4. Moulin-a-Vent
5. Fleurie
6. Chiroubles
7. Morgon
8. Regnie
9. Cote de Brouilly
10. Brouilly
